WELCOME TO VILLAS ON ATKINSON

Settle into your new home in the attractive suburb of Titirangi - gateway to the rainforest of the Waitakere Ranges and enroute to Auckland's famous West Coast beaches.

Located near the charming village of Titirangi, CETA Homes presents Villas on Atkinson: a new development showcasing eight two-bedroom townhouses tailored with the homeowner in mind.

Residents will be conveniently close to top-tier schools and childcare facilities, with Kaurilands School a mere 200 meters away, Glen Eden Intermediate a short six-minute walk, and Green Bay High School a quick five minute drive. Additionally, five childcare centers are accessible within a five-minute walk.

Nature enthusiasts will appreciate the nearby Kaurilands Domain and Ceramco Park, perfect for family outings, dog walks, or leisurely exercise. Local amenities are within easy reach, with a dairy and takeaways less than 100 meters away, as well as cafes and restaurants in Titirangi Village. Public transport is also convenient, with multiple bus stops along Atkinson Road, including one at the end of the driveway.

For outdoor adventures, Titirangi Village offers Mt Atkinson with various short walks and tramps within the Waitakeres. Explore tracks like Zig Zag Track leading to Titirangi Beach or Exhibition Drive, a popular route for walkers, joggers, and cyclists only 1.5 km from the village center. Enjoy stunning views overlooking Titirangi Village, Manukau and Waitemata harbours, or venture into the Waitakere Ranges for endless walks, waterfalls, and renowned beaches like Piha and Whatipu.

Titirangi is a vibrant community that treasures nature and art, boasting a lively local theater, cinema, community art gallery, and exhibitions, as well as charming art galleries at Lopdell House in the heart of the village. At Atkinson Heights, you'll not only find a home but also experience the relaxed, family-friendly lifestyle that Titirangi is celebrated for.

Discover your ideal home or investment opportunity at Villas on Atkinson.

Interior Finishes and Features at Villas on Atkinson

This development emphasises functionality, the floor plans are designed with homeowners in mind with a strong focus on functionality and storage. They offer abundant storage options that include linen cupboards, under stair storage, and full-height storage cupboards - perfect for your brooms and vacuum cleaners. Each bedroom has a generous wardrobe also. The kitchen is designed with ample bench space and cupboards, seamlessly connected to the open plan living area that extends to the outdoor space, ideal for entertaining or keeping an eye on pets and children.

The homes are finished with high quality finishes and features throughout and presents interior colors that embrace light and calming tones. Kitchen cabinets are in a beautiful oak timber, and the timber hard flooring is the same, complimented by lush neutral carpet.

The kitchen mixes white with the timber cabinetry to provide contrast and interest and features a white stone benchtop. Splashbacks are tiled with a contemporary tile and are fitted with Fisher & Paykel stainless appliances making the kitchens are a true highlight of these homes.

Each bathroom showcases lovely tiles on the floor, paired with beech wall-hung vanities sporting a honed matte finish stone top, and throughout the house you'll find timeless brushed stainless tapware and finishes that enhance the overall space.

CREATING AND DELIVERING COST EFFECTIVE, TIMELY AND AFFORDABLE HOMES

BUILDING A BETTER TOMORROW

ABOUT CETA HOMES

CETA Homes is a boutique Development company delivering exceptional developments with a focus affordability and accessibility. We have an aspiration of providing homes to the market at competitive prices, in desirable locations with good amenities. Our aim is to provide modern, functional, and low-maintenance homes that are not only affordable to buy but also affordable to live in. For this reason, we only source land with easy accessibility to public transport, schools, supermarkets, and parks.

Our architecturally designed terraced townhouses are built using trusted materials and high-quality finishes, providing you with a comfortable and secure home that is covered by a 10-year implied warranty and an initial 90-day, then 12-month defects period.

At CETA Homes, we understand that building a new home is an exciting journey, and we want to keep you informed every step of the way. That's why we provide monthly updates on the progress of your new home's construction, ensuring you're always up-to-date with the development's progress.

Our driving force at CETA is to build great communities and leave a lasting legacy. We want our homeowners and investors to be proud of their new properties and are committed to providing the best possible experience at every step of the process ensuring that you are completely satisfied with your purchase.

SCHEME PLAN

WHY TITIRANGI

Titirangi currently features only one other terraced townhouse development, making our new and exciting project a gateway into property in West Auckland - a top investment area in the New Zealand's largest city.

West Auckland emerges as one of the top two investment areas in Auckland due to its affordability. This region not only provides budget-friendly properties but also boasts higher rental yields. Although these areas have seen a surge in property prices, they have also exhibited significant capital growth in the past.

As of March 2024, the average price for a 3-bedroom house is \$943,077, boasting a 3.51% gross yield (as per Barfoot and Thompson). With a median sales price of \$981,000 over the last 5 years, Villas on Atkinson present an attractive option for those looking to enter the property market in the area. The Waitakere/West Auckland region, home to nearly 200,000 people, sees 32.4% of residents as renters, offering a substantial rental market for potential investors.

Situated just 17 kilometers from the CBD, this suburb is an outdoor enthusiast's paradise, with 51% of households having children, indicating its appeal to families. The community is vibrant and youthful, with 70% of residents under 49 years old.

Titirangi is renowned for its top-tier schools, with Titirangi School holding a prestigious decile rating of 10 and Kaurilands School at 8. Additionally, state secondary schools like Green Bay High School, Kelston Boys' High School, and Kelston Girls' High School in the vicinity are highly esteemed. The exceptional quality of education in the area contributes to making Titirangi a sought-after suburb for living and investing.

RENTAL APPRAISALS

RESIDENTS ASSOCIATION

Townhouses, on a fee simple title are safer and better long-term ownership/investment, when there is a Residents Association (RA) in place.

The RA is set up, in advance, to help control and manage the future maintenance of the common areas. For this complex it will cover:

- The long-term maintenance of the driveway or in proper terms the JOAL (joint owned access lot) Management of shared lighting.
- General Governance of the by-laws to ensure your asset is protected and value upheld Management of the group Insurance policy

Group Insurance Policy

The RA seeks a competitive Insurance policy covering insurance for all the units and it will also cover common areas and shared facilities.

As per council requirements, all owners have to be a part of the RA. By enabling the RA to obtain a group policy, this significantly reduces the years premiums.

The estimated combined cost for Group Insurance policy and RA contribution for Atkinson Road will be around \$1,900-2,100.

General Maintenance

The RA will manage the general maintenance of the shared facilities or common areas such as the driveways and pedestrian walkways. The RA will put away funds to ensure common areas are maintained and repaired upon any damage using licensed and experienced contractors.

How does a Residents Association Work?

The RA is set up with a standard constitution, a set of bylaws and an annual Budget.

Body Corporate Administration (BCA) will be engaged to operate and manage the RA, which makes life easy for you as the owner. As an owner of the townhouse, it is mandatory you become a member of the RA, and thus have the ability to suggest and implement changes to the budget and by-laws, assuming a majority of the vote is reached, those suggestions and changes can be implemented.

BUILDING WARRANTY

On all new homes, we offer a 1-year defects period. That is in addition to the warranty implied in the agreement for sale and purchase by section 362I of the Building Act 2004.

All residential building work is covered by the implied warranties. They apply:

- For up to 10 years regardless of whether you have a written contract or what the contract terms are regardless of the cost of your building project.

Implied warranties are automatic and cover almost all aspects of building work from compliance with the Building Code to good workmanship and timely completion of building work. A breach of these warranties is a breach of the contract. In our agreements the warranty will be met on settlement as we don't require you to settle unless we have obtained a code compliance certificate but we are liable if it transpires during the 10 year period following settlement that the warranty implied under the Building Act 2004 has been breached.

What do the implied warranties cover?

The implied warranties are:

- All building work will be done properly, competently, and according to the plans and specifications in your approved consent.
- All the materials used will be suitable and, unless otherwise stated in the contract, new.
- The building work will be undertaken in accordance with the Building Act 2004 and the Building Code which is current when the work was undertaken.
- The building work will be carried out with reasonable care and skill, and completed within the time specified or a reasonable time if no time is stated.
- The home will be suitable for occupation at the end of the work.
- If the contract states any particular outcome and the homeowner relies on the skill and judgement of the contractor to achieve it, the building work and the materials will be fit for purpose and be of a nature and quality suitable to achieve that result.

These warranties apply automatically to all contracts for building work on a residential house, whether written or verbal.

For example, if your builder substitutes lower-quality wallboard than specified in the building plans without having your agreement, and this causes damage to the property, this breaches your written or verbal contract.

Disclaimer: Variations to, or adjustments from the specifications (including substitutions for any materials which may not be available) may be made by the Vendor in the course of construction of the works, provided that the substitutions, variations or departures do not make any appreciable reduction in or have any material adverse effect on the value, appearance or usefulness of the completed unit.

FAQS

What happens to our deposit?

All deposits are held in an interest-bearing solicitors' accounts (meaning that we, the developer cannot spend your deposit). If for whatever reason the project isn't delivered to the agreed contract, the deposit can be returned to you.

What warranty is included on the building work?

We offer a one year defects period on all our new homes in addition to the warranty implied in the agreement for sale and purchase by section 362I of the Building Act 2004. The implied warranties apply for up to 10 years regardless of whether you have a written contract or what the contract terms are regardless of the cost of your building project.

Can I make changes to the specification or design?

In most case we don't allow any changes to either the specification or design, unless it's for specific purposes. i.e. accessibility or health reasons.

What is a Residents Association?

There is no body corporate for this development, but there is a Residents Association (RA). The RA is set up in advance, to help control and manage the future maintenance of the common areas. For this project specifically, it will be for:

- 1.The long term maintenance of the driveway or the JOAL (Joint Owned Access Lot).
- 2.Management of the rubbish collection
- 3.Management of the shared lighting

The RA requires a common account to be opened and managed and all members are required to contribute to account for the funds for future maintenance. The account is managed by the members and it's the RA that decides how and when the funds are spent. This is done by RA formal meetings and a vote system.

Do we have to become a member of the RA?

Yes you are legally required to become a member. The RA is incorporated, and it is part of our Sale & Purchase requirements, but also more formally put on the individual titles.

I have some questions - who can I talk to?

If you have enquired through an agent, contact your agent with a query and they will pass it on, or email us directly at enquiries@cetahomes.co.nz with your query and contact details, and one of our team will help answer your query.

PURCHASING NEXT STEPS

We understand purchasing a home can be a complex process, so here is a guide to each step of the journey when purchasing a home with CETA Homes. Our team of experts are dedicated to making the purchasing process as stress-free and enjoyable as possible.

1. AGREEMENT

Our team will walk you through the sales and purchase agreement. If you're happy with the home, you'll sign an agreement and we'll remove the property from the market while you enter your due diligence period.

2. DUE DILIGENCE

A period for you to engage your lawyer, mortgage broker and any other experts to ensure you're comfortable with your decision to purchase a CETA Home. Within this period, if it isn't for you, you can cancel with no questions asked.

3. UNCONDITIONAL

Once you're satisfied with purchasing a CETA Home, a deposit is payable and you'll go unconditional.

4. JOURNEY

You'll receive monthly updates from us on your new build - we're open to questions anytime.

5. PRE-SETTLEMENT INSPECTION

You'll complete an inspection once the property is ready for you to ensure the property has been built according to contract and specifications. Happens prior to settlement and handing over the keys.

6. SETTLEMENT

You'll settle the final money and on settlement day our team will meet with you onsite to handover your door codes and do a final walk through your home with you to ensure you're happy.
