Welcome to Kamata Rise by CETA

Your New Beginning - Coast Living Redefined

A community of 40 contemporary homes with something for everyone, from 2-bedroom, 1.5-bathroom layouts to spacious 3-bedroom, 3-bathroom homes with garages, there are five unique typologies to choose from – each designed with lifestyle in mind.

No matter your stage of life and property journey, you'll find comfort, functionality and style in every home. Expect modern finishes, light-filled living, and clever storage solutions throughout – because we know that great design is in the details. More space, more flexibility.

- Two dedicated carparks included for 28 homes
- Generous internal storage for real everyday living
- Thoughtfully planned North facing site layout to maximise sunlight and views

Set in the heart of Ara Hills, just minutes from Ōrewa Beach, this coastal haven offers the best of both worlds, a peaceful, nature-rich environment with all the conveniences of urban living. Just minutes from Ōrewa Beach, perfect for morning swims, coastal walks, or laid-back weekend brunches by the sea. Ara Hills itself is surrounded by scenic reserves, walkways, and future amenities that will make everyday life effortless and enjoyable.

Why choose Kamata Rise in Ara Hills

- **Seven typologies to choose from**

Why Buy in Ara Hills

Why Ara Hills is a Smart Buy, For Today and the Future

If you're looking for a property that offers both lifestyle and long-term value, Kamata Rise, in Ara Hills, Ōrewa is worth consideration. This is more than just a beautiful place to live but a community on the rise in one of Auckland's fastest-growing coastal corridors.

Located just 30 minutes north of Auckland, Ara Hills offers the perfect balance of natural beauty, smart planning, and long-term value.

Strong Market:

- Median house price: \$1.18M (Ōrewa, 2025)
- 67%+ capital growth across the Hibiscus Coast since 2010
- 28% of residents rent, keeping rental demand strong

Fast Growing Location:

- Population growth: 52% increase in the last 10 years
- Surrounded by beaches, bush reserves, schools, and shopping
- Ara Hills already home to 360+ residents and growing every month
- Part of Auckland's northern growth corridor

Big Infrastructure Ahead:

- Penlink motorway opens 2027, faster access to SH1 and the city for the Coast
- New transport projects planned to support 110,000+ future residents
- Zoning changes support higher-density housing and retail

Ara Hills is Designed for Liveability:

- 84-hectare community with eventually up to 900 homes
- Walking tracks, green spaces, and future neighbourhood hub
- Designed for families, downsizers, and investors alike

You're not just buying a home, you're buying into a location with a proven track record of growth, ongoing infrastructure investment, and strong future potential. Whether you're planning to live here or invest, Ara Hills offers a rare mix of natural beauty, smart planning, and long-term upside.

Residents Association

Townhouses, on a fee simple title are safer and better long- term ownership/investment, when there is a Residents Association (RA) in place.

The RA is set up, in advance, to help control and manage the future maintenance of the common areas. For this complex it will cover:

- The long- term maintenance of the driveway or in proper terms the JOAL (joint owned access lot) Management of shared lighting.
- General Governance of the by-laws to ensure your asset is protected and value upheld Management of the group Insurance policy

Group Insurance Policy

The RA seeks a competitive Insurance policy covering insurance for all the units and it will also cover common areas and shared facilities.

As per council requirements, all owners have to be a part of the RA. By enabling the RA to obtain a group policy, this significantly reduces the years premiums.

The estimated combined cost for Group Insurance policy and RA contribution for Kamata Rise is estimated to be \$1,900-2,400.

General Maintenance

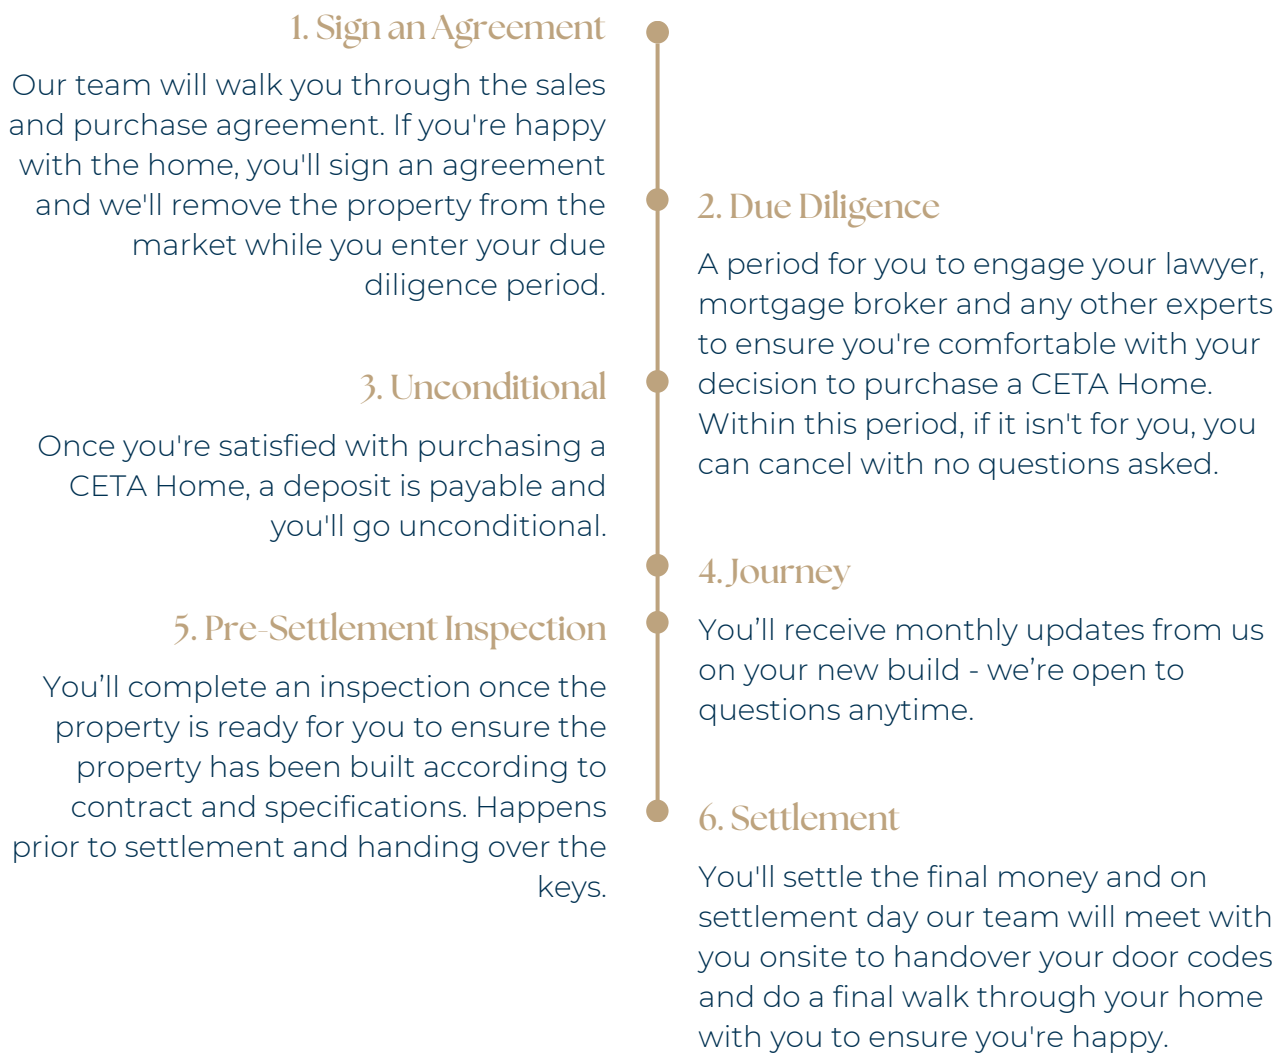

The RA will manage the general maintenance of the shared facilities or common areas such as the driveways and pedestrian walkways. The RA will put away funds to ensure common areas are maintained and repaired upon any damage using licensed and experienced contractors.

How does a Residents Association Work?

The RA is set up with a standard constitution, a set of bylaws and an annual Budget. Body Corporate Administration (BCA) will be engaged to operate and manage the RA, which makes life easy for you as the owner. As an owner of the townhouse, it is mandatory you become a member of the RA, and thus have the ability to suggest and implement changes to the budget and by-laws, assuming a majority of the vote is reached, those suggestions and changes can be implemented.

About CETA Homes

CETA Homes is a boutique Development company delivering exceptional developments with a focus affordability and accessibility. We have an aspiration of providing homes to the market at competitive prices, in desirable locations with good amenities. Our aim is to provide modern, functional, and low-maintenance homes that are not only affordable to buy but also affordable to live in. For this reason, we only source land with easy accessibility to public transport, schools, supermarkets, and parks.

Our architecturally designed terraced townhouses are built using trusted materials and high-quality finishes, providing you with a comfortable and secure home that is covered by a 10-year implied warranty and an initial 90-day, then 12-month defects period.

At CETA Homes, we understand that building a new home is an exciting journey, and we want to keep you informed every step of the way. That's why we provide monthly updates on the progress of your new home's construction, ensuring you're always up-to-date with the development's progress.

Our driving force at CETA is to build great communities and leave a lasting legacy. We want our homeowners and investors to be proud of their new properties and are committed to providing the best possible experience at every step of the process ensuring that you are completely satisfied with your purchase.

Frequently Asked Questions

What happens to our deposit?

All deposits are held in an interest-bearing solicitors' accounts (meaning that we, the developer cannot spend your deposit). If for whatever reason the project isn't delivered to the agreed contract, the deposit can be returned to you.

What warranty is included on the building work?

We offer a one year defects period on all our new homes in addition to the warranty implied in the agreement for sale and purchase by section 362I of the Building Act 2004. The implied warranties apply for up to 10 years regardless of whether you have a written contract or what the contract terms are regardless of the cost of your building project.

Can I make changes to the specification or design?

In most case we don't allow any changes to either the specification or design, unless it's for specific purposes. i.e. accessibility or health reasons.

What is a Residents Association?

There is no body corporate for this development, but there is a Residents Association (RA). The RA is set up in advance, to help control and manage the future maintenance of the common areas. For this project specifically, it will be for:

- 1.The long term maintenance of the driveway or the JOAL (Joint Owned Access Lot).
- 2.Management of the rubbish collection
- 3.Management of the shared lighting

The RA requires a common account to be opened and managed and all members are required to contribute to account for the funds for future maintenance. The account is managed by the members and it's the RA that decides how and when the funds are spent. This is done by RA formal meetings and a vote system.

Do we have to become a member of the RA?

Yes you are legally required to become a member. The RA is incorporated, and it is part of our Sale & Purchase requirements, but also more formally put on the individual titles.

I have some questions - who can I talk to?

If you have enquired through an agent, contact your agent with a query and they will pass it on, or email us directly at enquiries@cetahomes.co.nz with your query and contact details, and one of our team will help answer your query.
