ABOUT CETA HOMES

CETA Homes is a boutique housing company delivering homes with a focus affordability and accessibility. We have an aspiration of providing homes to the market at competitive prices, in desirable locations with good amenities. Our aim is to provide modern, functional, and low-maintenance homes that are not only affordable to buy but also affordable to live in. For this reason, we only source land with easy accessibility to public transport, schools, supermarkets, and parks.

Our architecturally designed terraced townhouses are built using trusted materials and high-quality finishes, providing you with a comfortable and secure home that is covered by a 10-year implied warranty and an initial defects period.

Our driving force at CETA Homes is to build great communities and leave a lasting legacy. We want our homeowners and investors to be proud of their new properties and are committed to providing the best possible experience at every step of the process ensuring that you are completely satisfied with your purchase.

WELCOME TO TAPU GROVE

Experience the Serenity and Charm of Rural living

Welcome to Tapu Grove, a nine-townhouse development located a stone's throw from the heart of the picturesque Huapai Village. Modern two-bedroom homes designed with homeowners in mind, built with high quality materials and finishes. Modern and elegant in design, they boast low maintenance exteriors of predominantly brick, giving a clean architectural facade. Open plan living flows into a private low maintenance courtyard with each bedroom having ample wardrobe storage and a carpark included with each home.

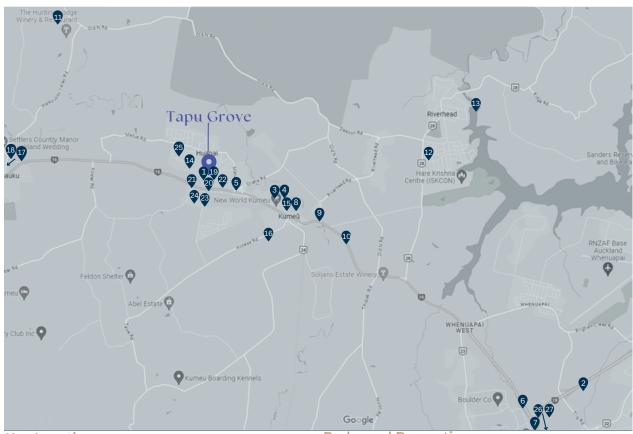

Tapu Grove is set in an established friendly local community. Close to public transport routes to give access to Central Auckland and directly across the road from The Domain Park - open space is plentiful. Those with a love of the outdoors will relish in the proximity to popular Muriwai Beach, a short drive away, while those with a penchant for tramping or mountain biking will find Woodhill Forest nearby. There is an abundance of good wineries, cafes and restaurants all within a close radius for those who enjoy wining and dining as well as the local library and quality schools all within walking distance.

LOCATION

Located in the growing rural village of Huapai, these townhouses are located in close proximity to all West Auckland has to offer including beaches, wineries and forests.

Tapu Grove is close to key amenities located across both Huapai and the adjacent Kumeū, and is a short drive to key motorways to access the rest of Auckland.

Outlets TV outlets in living area and bedroom

RESIDENTS ASSOCATION

Townhouses, on a fee simple title are safer and better long- term ownership/investment, when there is a Residents Association (RA) in place.

The RA is set up, in advance, to help control and manage the future maintenance of the common areas. For this complex it will cover:

- The long- term maintenance of the driveway or in proper terms the JOAL (joint owned access lot) Management of shared lighting.
- General Governance of the by- laws to ensure your asset is protected and value upheld Management of the group Insurance policy

Group Insurance Policy

The RA seeks a competitive Insurance policy covering insurance for all the units and it will also cover common areas and shared facilities.

As per council requirements, all owners have to be a part of the RA. By enabling the RA to obtain a group policy, this significantly reduces the years premiums.

The estimated combined cost for Group Insurance policy and RA contribution for Tapu Grove is around \$2,000-2,500.

General Maintenance

The RA will manage the general maintenance of the shared facilities or common areas such as the driveways and pedestrian walkways. The RA will put away funds to ensure common areas are maintained and repaired upon any damage using licensed and experienced contractors.

How does a Residents Association Work?

The RA is set up with a standard constitution, a set of bylaws and an annual Budget.

Body Corporate Administration (BCA) will be engaged to operate and manage the RA, which makes life easy for you as the owner. As an owner of the townhouse, it is mandatory you become a member of the RA, and thus have the ability to suggest and implement changes to the budget and by-laws, assuming a majority of the vote is reached, those suggestions and changes can be implemented.

PURCHASING NEXT STEPS

We understand purchasing a home can be a complex process, so here is a guide to each step of the journey. Our team of experts are dedicated to making the purchasing process as stress-free and enjoyable as possible.

1. AGREEMENT—

Our team will walk you through the sales and purchase agreement. If you're happy with the home, you'll sign an agreement and we'll remove the property from the market while you enter your due diligence period.

3. UNCONDITIONAL-

Once you're satisfied with purchasing a CETA Home, a deposit is payable and you'll go unconditional.

5. PRE-SETTLEMENT INSPECTION-

You'll complete an inspection once the property is ready for you to ensure the property has been built according to contract and specifications. Happens prior to settlement and handing over the keys.

2. DUE DILIGENCE

A period for you to engage your lawyer, mortgage broker and any other experts to ensure you're comfortable with your decision to purchase a CETA Home. Within this period, if it isn't for you, you can cancel with no questions asked.

-4. JOURNEY

You'll receive monthly updates from us on your new build. We're open to questions anytime.

-6. SETTLEMENT

You'll settle the final money and on settlement day our team will meet with you onsite to handover your door codes and do a final walk through your home with you to ensure you're happy.

FAQS

What happens to our deposit?

All deposits are held in an interest-bearing solicitors' accounts (meaning that we, the developer cannot spend your deposit). If for whatever reason the project isn't delivered to the agreed contract, the deposit can be returned to you.

What warranty is included on the building work?

We offer a one year defects period on all our new homes in addition to the warranty implied in the agreement for sale and purchase by section 362l of the Building Act 2004. The implied warranties apply for up to 10 years regardless of whether you have a written contract or what the contract terms are regardless of the cost of your building project.

Can I make changes to the specification or design?

In most case we don't allow any changes to either the specification or design, unless it's for specific purposes. i.e. accessibility or health reasons.

What is a Residents Association?

There is no body corporate for this development, but there is a Residents Association (RA). The RA is set up in advance, to help control and manage the future maintenance of the common areas. For this project specifically, it will be for:

- 1. The long term maintenance of the driveway or the JOAL (Joint Owned Access Lot).
- 2. Management of the rubbish collection
- 3. Management of the shared lighting

The RA requires a common account to be opened and managed and all members are required to contribute to account for the funds for future maintenance. The account is managed by the members and it's the RA that decides how and when the funds are spent. This is done by RA formal meetings and a vote system.

Do we have to become a member of the RA?

Yes you are legally required to become a member. The RA is incorporated, and it is part of our Sale & Purchase requirements, but also more formally put on the individual titles.

I have some questions - who can I talk to?

If you have enquired through an agent, contact your agent with a query and they will pass it on, or email us directly at enquiries@cetahomes.co.nz with your query and contact details, and one of our team will help answer your query.
